PROFESSIONAL SUMMARY

Highly motivated and detail-oriented IT fresh graduate with a strong focus on Frontend development. Skilled in building responsive, user-centric web applications using ReactJS and NodeJS. Possesses hands-on experience in studying and training AI models. Known for strong analytical thinking, fast learning capabilities, and a passion for solving complex technical problems.

WORK EXPERIENCE

Artificial Intelligence and ReactJS Intern - True Platform (Now: Rework)

May 2024 - September 2024

- AI & Backend Development: Developed and optimized AI features (Invoice Parsing, Intelligent Chatbot, Sentiment Analysis) and served them via RESTful APIs using Python and FastAPI.
- Frontend Testing Platform: Built a dedicated interactive web application using ReactJS and NodeJS to test prompt flows, visualize data outputs, and evaluate AI model accuracy.
- System Deployment: Containerized the AI models and web applications using Docker, ensuring scalable, isolated, and consistent environments across development and testing phases.

PROJECTS

Fitflow - Sports Apparel & Gear Rental & Sales Store

Description:

FitFlow is developed as a web-based platform to support both sales and rental operations for sports apparel and gear stores. The platform aims to digitize and optimize operational processes, providing a seamless experience for both customers and business owners.

– Key Responsibilities:

- Acted as a Full-stack Developer, building the core sports equipment rental workflow using ReactJS and NodeJS.
- Designed and developed comprehensive features for the staff role, optimizing internal store operations and database management with MongoDB.

Technologies:

- Frontend: ReactJS, CSS, Vite
- BackEnd: NodeJS, mongoose, Mongodb, ExpressJS

SKILLS

Technical Skills

- ReactJS / NodeJS
- Java
- Python

Tools

- GitHub / GitLab
- Docker

Languages

- English (Fluent)
- German (Basic)
- Japanese (Basic)

EDUCATION

Bachelor of Information Technology

FPT University

Fall 2021 - Expected Fall 2026

ADDITIONAL INFORMATION
